Brief on SOF	10

Dear Parents,

STUDENT PERFORMANCE REPORT- SOF IMO – 2021-22

Congratulations on your child's participation in the **SOF International Mathematics Olympiad** conducted during November 2021 - February 2022. The SOF IMO is conducted annually by SOF, organizer of the World's Biggest Olympiad Exams.

Please find enclosed the Student Performance Report (S.P.R.) of your ward for SOF IMO.

This Performance Report provides the following analysis:

- It details the performance of the student in SOF International Mathematics Olympiad and provides question wise answers given by the student.
- It identifies the "LEARNING GAPS" of the student in Mathematics and shares topics/areas in which the student needs to improve domain knowledge / subject understanding.
- It compares the student's performance with peer group of students to assist in understanding her/his subject knowledge vis-à-vis other students across the school/city/state/globe and identifies topics/areas requiring focussed efforts.
- It traces the performance of the student over the past several years (during which the student has appeared in SOF Olympiads) and highlights progress made versus his/her peer group.

I wish you and your child all the best and pray that you utilize your energies and time in consonance with your mission and achieve academic success.

With Best Wishes,
Mahabir Singh
